

WE ARE LISTENING: YOUR VOICE MATTERS!

Grande Yellowhead Public School Division (GYPSD) is conducting a review of three of our facilities in the Lobstick zone: Evansview School and Grand Trunk High School in Evansburg and Wildwood School in Wildwood.

The goal of this review is to determine how we can provide the best learning environment and educational programs for the students of Wildwood and Evansburg, given the resources available. No decisions have been made yet.

Phase One:

Community sessions were held in both Evansburg and Wildwood in June to learn about community hopes and concerns. Input from the community was used to plan Phase Two events. Information gathered at the June sessions can be viewed on our website at www.gypsd.ca.

Phase Two:

- **Hands-On Workshop on Thursday, September 13th at the Wildwood Community Hall from 6 to 9 p.m.**

The public from Evansburg, Wildwood and surrounding areas are invited to participate in a hands-on, three-hour workshop to provide their input on decision criteria and options that should be considered by GYPSD's Board of Trustees when they decide on revisions to the current Capital Plan. Let us know what is important to you and what school facility options you want considered. **Please pre-register online at www.gypsd.ca** to ensure we have sufficient materials and snacks for everyone!

- **Drop-In Review Sessions: Wednesday, September 19th at Grand Trunk High School in Evansburg and Thursday, September 20th at Wildwood School in Wildwood**

The public are invited to drop-in any time between 4 and 8 p.m. on either day to review the facility options being considered and help us evaluate them. Your input on the options is important to us.

- **Online Survey**

An online survey will be open between September 19th and 22nd for those who were unable to attend in person, but wish to share their thoughts on the options presented. The link to the survey will be on our website at www.gypsd.ca.

Phase Three:

- **Special Public Board Meeting on Thursday, September 27th at 10 a.m.**

GYPSD's Board of Trustees will review all community input received through the workshop, drop-in sessions, and the online survey. A special board meeting will be held on Thursday, September 27th to discuss this feedback, and make a decision on whether the division's current Three-Year Capital Plan should be changed. This meeting is open to the public and will be held at the Royal Canadian Legion in Edson, beginning at 10 a.m.
