SCHOOL JURISDICTION MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The financial statements of presented to Alberta Education have been prepared by school jurisdiction management which has responsibility for their preparation, integrity and objectivity. The financial statements, including notes, have been prepared in accordance with Canadian Public Sector Accounting Standards and follow format prescribed by Alberta Education.

In fulfilling its reporting responsibilities, management has maintained internal control systems and procedures designed to provide reasonable assurance that the school jurisdiction's assets are safeguarded, that transactions are executed in accordance with appropriate authorization and that accounting records may be relied upon to properly reflect the school jurisdiction's transactions. The effectiveness of the control systems is supported by the selection and training of qualified personnel, an organizational structure that provides an appropriate division of responsibility and a strong system of budgetary control.

Board of Trustees Responsibility

The ultimate responsibility for the financial statements lies with the Board of Trustees. The Board reviewed the audited financial statements with management in detail and approved the financial statements for release.

External Auditors

The Board appoints external auditors to audit the financial statements and meets with the auditors to review their findings. The external auditors were given full access to school jurisdiction records.

Declaration of Management and Board Chair To the best of our knowledge and belief, these financial statements reflect, in all material respects, the financial position, results of operations, remeasurement gains and losses, changes in net financial assets (debt), and cash flows for the year in accordance with Canadian Public Sector Accounting Standards.

INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of Grande Yellowhead Public School Division No. 77

We have audited the financial statements of Grande Yellowhead Public School Division No. 77, which comprise the statements of financial position as at August 31, 2017 and the statements of operations, cash flows, changes in net debt, and remeasurement gains and losses for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Grande Yellowhead Public School Division No. 77 as at August 31, 2017 and the results of its operations, cash flows, changes in net debt, and remeasurement gains and losses for the year then ended in accordance with Canadian public sector accounting standards.

1. AUTHORITY AND PURPOSE

The School Division delivers education programs under the authority of the *School Act*, Revised Statutes of Alberta 2000, Chapter S-3.

The Division receives funding for instruction and support under Education Grants Regulation (AR 120/2008). The regulation allows for the setting of conditions and use of grant monies. The School Division is limited on certain funding allocations and administration expenses.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance with the CPAC Canadian public sector accounting standards. The financial statements have, in management's opinion, been properly prepared within reasonable limits of materiality and within the framework of the accounting policies summarized below:

a) Cash and Cash Equivalents

Cash and cash equivalents include cash and investments that are readily convertible to known amounts of cash and that are subject to an insignificant risk of change in value. These short-term investments have a maturity of three months or less at acquisition and are held for the purpose of meeting short-term cash commitments rather than for investing.

b) Accounts Receivable

Accounts receivable are shown net of allowance for doubtful accounts.

c) Portfolio Investments

The School Division has investments in GIC's and term deposits that have maturity dates of greater than three months. GIC's and term deposits are investments not quoted in an active market and are reported at cost or amortized cost.

Impairment is defined as a loss in value of a portfolio investment that is other than a temporary decline and is included in the Statement of Operations. In the case of an item in the fair value category, a reversal of any net remeasurement gains recognized in previous reporting periods up to the amount of the write-down is reported in the Statement of Remeasurement Gains and Losses. A subsequent increase in value would be recognized on the Statement of Remeasurement Gains and Losses and realized on the Statement of Operations only when sold.

Detailed information regarding portfolio investments is disclosed in the Schedule of Cash, Cash Equivalents, and Portfolio Investments.

d) Tangible capital assets

The following criteria apply:

- Tangible capital assets acquired or constructed are recorded at cost, including amounts directly related to the acquisition, design, construction, development, or betterment of the asset. Cost also includes overhead directly attributable to construction as well as interest costs that are directly attributable to the acquisition or construction of the asset.
- Donated tangible capital assets are recorded at their fair market value at the date of donation, except in circumstances where fair value cannot be reasonably determined, when they are then recognized at nominal value. Transfers of tangible capital assets from related parties are recorded at original cost less accumulated amortization.
- Construction-in-progress is recorded as a transfer to the applicable asset class at substantial completion. Construction-in-progress is not subject to amortization.
- Buildings include site and leasehold improvements as well as assets under capital lease.
- Sites and buildings are written down to residual value when conditions indicate they no longer contribute to the ability of the School Division to provide services or when the value of future economic benefits associated with the sites and buildings are less than their net book value. For supported assets, the write-downs are accounted for as reductions to Expended Deferred Capital Revenue (EDCR).
- Buildings that are demolished or destroyed are written-off.
- Tangible capital assets with costs in excess of \$5,000 are capitalized.
- Leases that, from the point of view of the lessee, transfer substantially all the benefits and risks incident to ownership of the property to the Board are considered capital leases. These are accounted for as an asset and an obligation. Capital lease obligations are recorded at the present value of the minimum lease payments excluding executor costs, e.g., insurance, maintenance costs, etc. The discount rate used to determine the present value of the lease payments is the lower of the School Division's rate for incremental borrowing or the interest rate implicit in the lease. A schedule of repayments is provided in Note 15.
- Tangible capital assets are amortized over their estimated useful lives on a straight-line basis, at the following rates:

| Buildings | 2% to 4% |
|-------------------------------|------------|
| Vehicles & Buses | 10% to 20% |
| Computer Hardware & Software | 20% to 25% |
| Other Equipment & Furnishings | 10% to 20% |

e) Deferred Revenue

Deferred revenue includes contributions received for operations which have stipulations that meet the definition of a liability per *Public Sector Accounting Standard (PSAS) PS 3200.* These contributions are recognized by the School District once it has met all eligibility criteria to receive the contributions. When stipulations are met, deferred revenue is recognized as revenue in the fiscal year in a manner consistent with the circumstances and evidence used to support the initial recognition of the contributions received as a liability.

Deferred revenue also includes contributions for capital expenditures, unexpended and expended. Unexpended Deferred Capital Revenue (UDCR) represent externally restricted supported capital funds provided for a specific capital purpose received or receivable by the jurisdiction, but the related expenditure has not been made at year-end. These contributions must also have stipulations that meet the definition of a liability per *PS 3200* when expended.

Expended Deferred Capital Revenue (EDCR) represent externally restricted supported capital funds that have been expended but have yet to be amortized over the useful life of the related capital asset. Amortization over the useful life of the related capital asset is due to certain stipulations related to the contributions that require that the school jurisdiction to use the asset in a prescribed manner over the life of the associated asset.

f) Employee Future Benefits

The School Division provides certain post-employment benefits including vested and non-vested benefits for certain employees pursuant to certain contracts and union agreements.

The School Division accrues its obligations and related costs including both vested and non-vested benefits under employee future benefit plans. Benefits include defined-benefit retirement plans, non-vested and accumulating sick leave, early retirement, retirement/severance, job-training and counseling, post-employment benefit continuation, death benefits, and various qualifying compensated absences.

g) Asset Retirement Obligations

Liabilities are recognized for statutory, contractual or legal obligations associated with the retirement of tangible capital assets when those obligations result from the acquisition, construction, development or normal operation of the assets. The obligations are measured initially at fair value, determined using present value methodology, and the resulting costs are capitalized into the carrying amount of the related asset. In subsequent periods, the liability is adjusted for the accretion of discount and any changes in the amount or timing of the underlying future cash flows. The capitalized asset retirement cost is amortized on the same basis as the related asset and the discount accretion is included on the Statement of Operations. The School Division has no estimated asset retirement obligations at August 31, 2017.

h) Operating and Capital Reserves

Certain amounts are internally or externally restricted for future operating or capital purposes. Transfers to and from reserves are recorded when approved by the Board of Trustees. Capital reserves are restricted to capital purposes and may only be used for operating purposes with approval by the Minister of Education. Reserves are disclosed in the Schedule of Changes in Accumulated Surplus.

i) <u>Revenue Recognition</u>

Revenues are recorded on an accrual basis. Instruction and support allocations are recognized in the year to which they relate. Fees for services related to courses and programs are recognized as revenue when such courses and programs are delivered.

Volunteers contribute a considerable number of hours per year to schools to ensure that certain programs are delivered, such as kindergarten, lunch services and the raising of school generated funds. Contributed services are not recognized in the financial statements.

Eligibility criteria are criteria that the School Division has to meet in order to receive certain contributions. *Stipulations* describe what the School Division must perform in order to keep the contributions. Contributions without eligibility criteria or stipulations are recognized as revenue when the contributions are authorized by the transferring government or entity. Contributions with eligibility criteria but without stipulations are recognized as revenue when the contributions are authorized by the transferring government or entity and all eligibility criteria have been met.

Contributions with stipulations are recognized as revenue in the period that the stipulations are met, except to the extent that the contributions give rise to an obligation that meets the definition of a liability in accordance with *PS 3200*. Such liabilities are recorded as deferred revenue.

j) <u>Expenses</u>

Expenses are reported on an accrual basis. The cost of all goods consumed and services received during the year is expensed.

Allocation of Costs

- Actual salaries of personnel assigned to two or more programs are allocated based on the time spent in each program.
- Employee benefits and allowances are allocated to the same programs, and in the same proportions, as the individual's salary.
- Supplies and services are allocated based on actual program identification.

k) Pensions

Pension costs included in these statements comprise the cost of employer contributions for current service of employees during the year.

Current and past service costs of the Alberta Teachers Retirement Fund are met by contributions by active members and the Government of Alberta. Under the terms of the Teachers' Pension Plan Act, the School Division does not make pension contributions for certificated staff. The Government portion of the current service contribution to the Alberta Teachers Retirement Fund on behalf of the Division is included in both revenues and expenses. For the school year ended August 31, 2017, the amount contributed by the Government was \$2,933,923 (2016 \$3,176,018).

The school board participates in a multi-employer pension plan, the Local Authorities Pension Plan, and does not report on any unfunded liabilities. The expense for this pension plan is equivalent to the annual contributions of \$760,612 for the year ended August 31, 2017 (2016 \$785,292). At December 31, 2016, the Local Authorities Pension Plan reported a deficiency of \$637,357,000 (2015 Deficiency of \$923,416,000).

I) Program Reporting

The Division's operations have been segmented as follows:

- ECS Instruction: The provision of Early Childhood Services education instructional services that fall under the basic public education mandate.
- **Grade 1-12 Instruction**: The provision of instructional services for grades 1 12 that fall under the basic public education mandate.
- Plant Operations and Maintenance: The operation and maintenance of all school buildings and maintenance shop facilities.
- **Transportation:** The provision of regular and special education bus services (to and from school), whether contracted or board operated, including transportation facility expenses.
- **Board and System Administration**: The provision of board governance and system-based / central office administration.
- External Services: All projects, activities, and services offered outside the public education mandate for ECS children and students in grades 1-12. Services offered beyond the mandate for public education must be self-supporting, and Alberta Education funding may not be utilized to support these programs.

The allocation of revenues and expenses are reported by program, source, and object on the Schedule of Program Operations. Respective instruction expenses include the cost of certificated teachers, non-certificated teaching assistants as well as a proportionate share of supplies and services, school administration and instruction support, and System Instructional Support.

m) Scholarship Endowment Funds

Contributions and income pertaining to scholarship endowment funds are recognized on the Statement of Operations and must be held in perpetuity in accordance with the agreement with the donor. Provisions of the agreement require that the interest earned each year is disbursed for scholarships. Undisbursed funds earned on endowment principal are recognized as deferred revenue or as revenue in the year to the extent that stipulations have been met.

n) Trusts Under Administration

The School Division has property that has been transferred or assigned to it to be administered or directed by a trust agreement or statute. The Division holds title to the property for the benefit of the beneficiary.

Trusts under administration have been excluded from the financial reporting of the Division. A summary of Trust balances is listed in Note 17.

o) Financial Instruments

A contract establishing a financial instrument creates, at its inception, rights and obligations to receive or deliver economic benefits. The financial assets and financial liabilities portray these rights and obligations in the financial statements. The School Division recognizes a financial instrument when it becomes a party to a financial instrument contract.

Financial instruments consist of cash and cash equivalents, accounts receivable, portfolio investments, bank indebtedness, accounts payable and accrued liabilities, debt and other liabilities. Unless otherwise noted, it is management's opinion that the School Division is not exposed to significant credit and liquidity risks, or market risk, which includes currency, interest rate and other price risks.

Portfolio investments in equity instruments quoted in an active market and derivatives are recorded at fair value. All other financial assets and liabilities are recorded at cost or amortized cost and the associated transaction costs are added to the carrying value of items in the cost or amortized cost upon initial recognition. The gain or loss arising from derecognition of a financial instrument is recognized in the Statement of Operations. Impairment losses such as write-downs or write-offs are reported in the Statement of Operations.

p) Measurement Uncertainty

The precise determination of many assets and liabilities is dependent on future events. As a result, the preparation of financial statements for a period involves the use of estimates and approximations, which have been made using careful judgment. Actual results could differ from those estimates. Significant areas requiring the use of management estimates relate to the potential impairment of assets, rates for amortization and estimated employee future benefits.

q) Future Accounting Changes

The Public Sector Accounting Board has issued the following accounting standards:

• PS 2200 Related Party Disclosures and PS 3420 Inter-Entity Transactions (effective April 1, 2017)

PS 2200 defines a related party and establishes disclosures required for related party transactions. PS 3420 establishes standards on how to account for and report transactions between public sector entities that comprise a government's reporting entity from both a provider and recipient perspective.

• PS 3210 Assets, PS 3320 Contingent Assets and PS 3380 Contractual Rights (effective April 1, 2017)

PS 3210 provides guidance for applying the definition of assets set out in FINANCIAL STATEMENT CONCEPTS, Section PS 1000, and establishes general disclosure standards for assets; PS 3320 defines and establishes disclosure standards on contingent assets; and PS 3380 defines and establishes disclosure standards on contractual rights.

• PS 3430 Restructuring Transactions (effective April 1, 2018)

This standard provides guidance on how to account for and report restructuring transactions by both transferors and recipients of assets and/or liabilities, together with related program or operating responsibilities.

• PS 3450 Financial Instruments (effective April 1, 2019)

Adoption of this standard requires corresponding adoption of PS 2601 Foreign Currency Translation, PS 1201 Financial Statement Presentation, and PS 3401 Portfolio Investments in the same fiscal period. These standards provide guidance on: recognition, measurement and disclosure of financial instruments; standards on how to account for and report transactions that are denominated in a foreign currency; general reporting principles and standards for the disclosure of information in financial statements; and how to account for and report portfolio investments.

Management is currently assessing the impact of these standards on the financial statements.

r) <u>School Generated Funds</u>

These are funds that come under the control and responsibility of the school principal for school activities. These funds are usually collected, retained, and expended at the school level.

3. CASH AND CASH EQUIVALENTS

Cash and cash equivalents includes \$1,118,226 of funds that are restricted for future use and \$406,309 of endowment funds. See Schedule 5 for additional detail.

9. LIABILITY FOR CONTAMINATED SITES

Contaminated sites are a result of contamination being introduced into the air, soil, water, or sediment of a chemical, organic, or radioactive material, or live organism that exceeds an environmental standard. At August 31, 2017 the school jurisdiction has ascertained no liabilities for contaminated sites.

10. OTHER LIABILITIES

The School Division has determined that it has no other liabilities.

11. DEBT

| | 2017 | 2016 |
|---|------------------|------------------|
| Mortgages outstanding at August 31, 2017 have interest at prime. The loan matures in 2018, payments of \$2000 are made monthly. The loan is secured by land and building with a net book value of \$65,111,932. | | |
| | 23,104 | 46,142 |
| Total | <u>\$ 23,104</u> | <u>\$ 46,142</u> |

12. PREPAID EXPENSES:

Prepaid Expenses consist of the following:

|-----------|---------------|------|---------|--|
| Inventory | \$ 206,667 | \$ | 150,150 | |
| Total | \$ 206,667 | \$ | 150,150 | |

14. ACCUMULATED SURPLUS:

Detailed information related to accumulated surplus is available on the Schedule of Changes in Accumulated Surplus. Accumulated surplus may be summarized as follows:

| | | 2017 | 2016 |
|---|----|------------|------------------|
| Unrestricted surplus | \$ | 2,205,955 | \$ 1,815,324 |
| Operating reserves | _ | 3,404,913 | 3,910,912 |
| Accumulated surplus (deficit) from operations | | 5,610,868 | 5,726,236 |
| Investment in tangible capital assets | | 8,910,204 | 8,354,880 |
| Capital reserves | | 2,735,131 | 3,611,922 |

| Accumulated remeasurement gains (losses) | | - | - |
| Accumulated surplus (deficit) | \$ | 17,703,346 | \$ 18,166,981 |

Accumulated surplus (deficit) from operations (ASO) include funds of \$1,216,336 that are raised at school level and are not available to spend at board level. The school jurisdiction's adjusted surplus (deficit) from operations is calculated as follows:

| | 2017 | 2016 | | |
|--|-----------------|------|-----------|--|
| Accumulated surplus (deficit) from operations | \$ 5,610,868 | \$ | 5,726,236 | |
| Deduct: School generated funds included in accumulated surplus (Note 18) | 1,216,336 | | 956,979 | |
| Adjusted accumulated surplus (deficit) from operations $^{\scriptscriptstyle (2)}$ | \$ 4,394,532 | \$ | 4,769,257 | |

⁽¹⁾ Terms of the endowments stipulate that the principal balance be maintained permanently. Investment income of \$6,801 (2016 - \$7,145) is externally restricted for scholarships and is included in deferred revenue.

⁽²⁾ Adjusted accumulated surplus (deficit) from operations represents funds available for use by the school jurisdiction after deducting funds raised at school-level.

15. CONTRACTUAL OBLIGATIONS:

| | 2017 | 2016 |
|---------------------------|---------------|-----------------|
| Building projects (1) (4) | \$ 390,246 | \$ 5,183,046 |

⁽¹⁾ Building projects: Grande Cache Community High School Modernization Project bid on by Monteith Building Group Ltd was awarded and approved by the Board on September 9, 2015. The project is scheduled for completion in September 2017.

⁽²⁾Building leases: The Division has various leases for off campus facilities. The annual obligations are included in the summary below.

⁽³⁾ Service providers: Xerox and Grande Yellowhead Public School Division No 77 entered into an agreement which covers the annual lease for equipment and software for electronic document management. The annual lease base contract charge is \$389,606 and expires August 31, 2018.

⁽⁴⁾Jasper Land Transfer – The School Division was reimbursed \$395,313 from the Alberta Government for costs incurred for the costs associated with the restoration of the old Jasper Junior/Senior site. The School Division had previously teacher and agreement with the Municipality of Jasper which outlined the terms and conditions which had allowed a land exchange to replace Jasper Junior Senior High. The School Division performed all the work necessary to restore, landscape and fence the exchange site. The total cost of the restoration was \$790,262. At August 31, 2017, there were no outstanding obligations.

Estimated payment requirements for each of the next five years and thereafter are as follows:

| | Building Projects | | Building Leases | Service Providers | | Other (Specify) | Other | |
