EDSON AND AREA

Students are valued for their uniqueness and are encouraged to strive for their personal best. Definitely, an 'every child matters' philosophy is at the heart of the school! My girls love the extra-curricular activities. As a parent, I also appreciate the accessibility of the principal and staff on a regular basis.

Fulham Community School staff are dedicated to ensuring we foster an environment that creates a positive, caring and inviting culture for students to harness the joy of learning to make their dreams come true. By promoting curiosity, critical thinking, collaboration, and good work habits, students are prepared to take on new adventures ahead.
